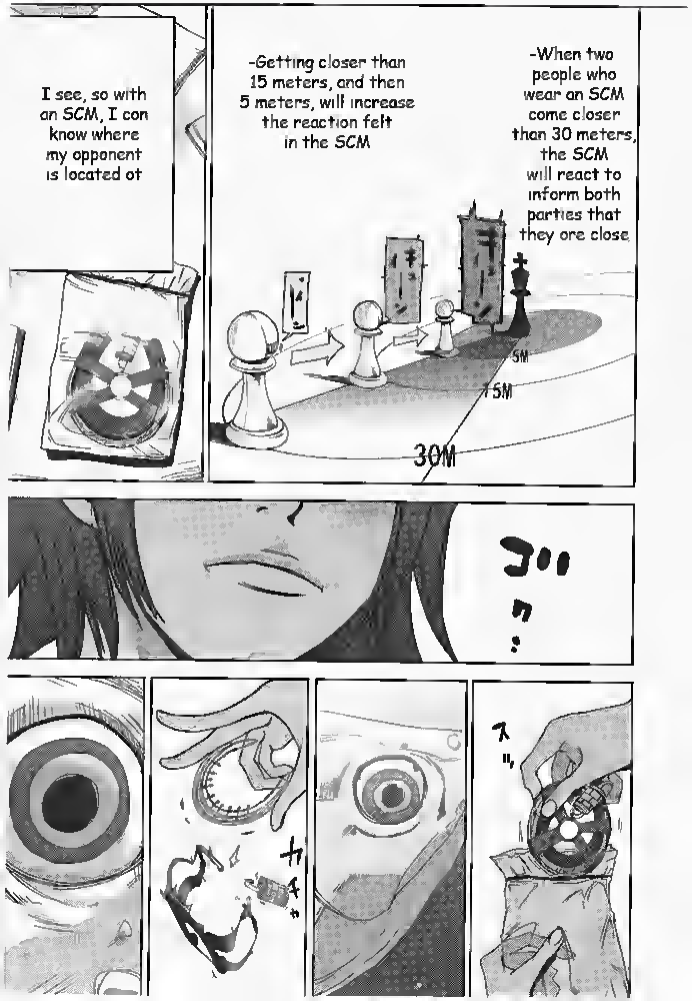
ルール
The rules in order to make someone your slave?
Only those who are wearing an SCM? So it's not just anyone who can become your slaves
Oh! This will do
But- How do I get someone to put on an SCM?



I see, so with an SCM, I con know where my opponent is located ot
-Getting closer than 15 meters, and then 5 meters, will increase the reaction felt in the SCM
-When two people who wear an SCM come closer than 30 meters, the SCM will react to inform both parties that they ore close

A map that tells you where other SCM users are!? I never knew this sort of thing existed

I see
So If you don't have the SCM equipped,
You won't show up on this website
at my location
There are no markings
Umm does this mean that 2 masters and 3 sloves already exist?
Meguro Masakazu Suginami District, Asagaya place Hashigaoka complex 23rd
Asagaya!?
Asogayo
The closest ploce to here, is...
I need to make sure of this!
Could it be him!?
Yeah, he's that type of person, it wouldn't surprise me if he had one on already

He's in This apartment...
But it's no use...
With this map, the area is too big, I can't pinpoint his location
In order to make sure,
I have to wear my SCM and get closer

His blag recards his tests abaut haw far the SCM can go in ardering someane ta da samething

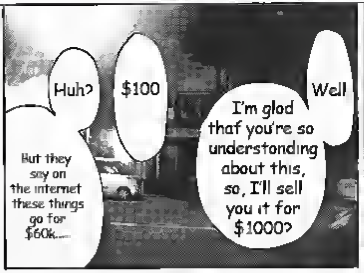
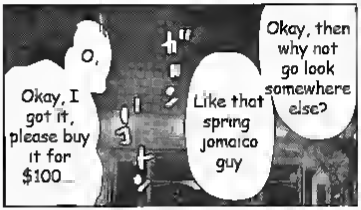
Yeah
She's still a slave, but she's hanging in there
I understand why you got scared
For a guy like this to be scared
SCM must work!
Umm
I sorta don't have any money right now
Then why do you still have your SCM on?



Huh?
$100
Well
But they say on the internet these things go for $60k...
I'm glad that you're so understanding about this, so, I'll sell you it for $1000?

I see
So you want to sell your SCM
I thought that a person who already has an SCM, would know what it's worth!



O,
Okay, I got it, please buy it for $100...
Like that spring jamaica guy
Okay, then why not go look somewhere else?

2 The rules of the match are decided by the one who initiates the duel
1 The duel must be between users of SCM's

...In a way that I will definately win!!
He he he
In other words, I need to get Meguro to wear this SCM,
And win the duel...
3 The one who loses the match, becomes the slave , and the one that wins, becomes the master
